CERTIFICATE

for Component/Ingredient

THIS IS TO CERTIFY that the following Items have been found to comply with the specifications established in the American Society for Testing and Materials standard ASTM D6400 in accordance with the terms and conditions of the "International Biodegradable Products Institute, Inc. Licensing & Certification Program for Compostable Products":

- PureHT™ Coatings [20220527-07]

as further described in the application and related information submitted to the Biodegradable Products Institute by Siser S.r.l., (the "Licensee") a corporation of Italy.

Specific items associated with these certifications can be found on the BPI Product Catalog: <https://products.bpiworld.org/companies/siser-srl>

This approval is for a Component/Ingredient only, and cannot be used for claims in a finished product. Manufacturers and converters using these items to manufacture other products must seek a separate International Biodegradable Products Institute, Inc. certification in order to use the International Biodegradable Products Institute, Inc. Certification Marks or claim such certification.

This Certificate authorizes the Licensee to use the Certification Program Logo depicted below in relation to such items, subject to all conditions and terms of the Program Rules and the License Agreement between the Biodegradable Products Institute and the Licensee.
